The Church@thePines is celebrating 25 years since we first started worshiping in the lower school hall of the Pines Community School. We are celebrating this anniversary by holding a special service of thanksgiving and re-dedication to our mission at 6.00 pm on the evening of the 9th February 2020. We continue to be blessed with a strong and vibrant congregation, with several young families and a lively and boisterous Sunday School. We would like to invite members of your church to join with us for this special service.
