## **Back to church!**

We are so pleased to announce that we are reopening for worship in the church on Sunday 13th September at 10.30am with a service led by Rev Sharon Gardner. There will be guidelines given out soon so you know what to expect but just to say this initial act of worship will not be a Communion service. We *hope* to share in Communion the following month.

**Weekly Prayer** (contributed by Heather)

### **Friendship and Isolation Prayer**

Lord, although we have been isolated from family and friends  
We know that you are always with us.  
You will walk by our side, both in lonely times and in times of joy,  
May we count this in our blessings, that you give to each of us.

As we seek to maintain our small bubbles of immediate family and friends,  
Help us to see beyond our own immediate circle.  
So give us the joy of understanding the value of a wider friendship circle,  
As well as the value of isolation with you at its centre.

Help us to remember that you will hold our hand,  
And give us increasing fellowship with one another when the time is right.  
So give us the understanding that we are living through your time,  
Which we may struggle to navigate,  
As our own time, is lacking both patience and comprehension  
Of your supreme timing and ways.

May we continue to value both family and friends,  
So that when we come back together,  
We will bless one another with your great love,  
That is truly beyond our understanding.

In Jesus name we pray ***Amen.***
