Online Services Starting Sunday September 13th, services will no longer be available on the website & YouTube on Sunday mornings, but a few days after. This is due to opening the church and video-recording the live services. Please do not worry if the service is not available on the website immediately. (This delay is 'the new normal' - joke).

Work Party Report – 4th September 2020 The Work Party last Friday was mainly to clear the Car Park and the path at the side of the Church as well as the emergency exit path down the other side of the Church. This is because the path will have to be used as part of the one-way system on a Sunday morning after the Service. Thank you to all concerned as I understand an awful lot has been achieved and also thank you to Sandra and Doug Woledge for all the work that has had to be done indoors in order to open up the premises to the Hirers.

I will be contacting you for another Work Party date in the near future.

Weekly Prayer (contributed by Heather)

Security and Growth Prayer

Lord, we come before you, knowing that our only form of security comes from you.
You give each of us your love, so that we are able to grow spiritually,
Knowing that through thick or thin you will stand by us,
And give us the courage to expand our horizons.

Help us to grow in our knowledge of life
And all that your kingdom represents on earth.
May we listen and understand what you have given each of us to do
And try to act on it in our everyday lives.

Help us to understand what life means in your world,
So that this will give us the security to move forward,
And tread the path you want for each of us,
Knowing that every bodies journey will be different.

Grant us the security of a truly enfolding love
That helps us to receive your grace,
So that we can go out into the world
And help show through your love an understanding of others needs,
And so spread the inner peace that only you can give,
And so many people are searching for in these unprecedented times.

In Jesus name we pray

Amen.
