[Sad News](#)

Dear friends,

I am very sad to inform you that Revd. Dalwyn Attwell died last weekend from kidney failure. He had been admitted to hospital and initially responded quite well to treatment. However, his condition deteriorated, and he passed away peacefully on Saturday night.

Some of you will remember Dalwyn who preached in this Circuit and went on to train and be ordained - just this summer in fact - as a Methodist minister. Please remember his partner and Dalwyn's family in your prayers.

Please also pray for Revd. Alan Costello who is battling with cancer. Alan is well-known to many of you as a friend and minister. We send our love and prayers to Alan and his wife Jen during this difficult time.

'Although He brings grief, He also shows compassion because of His unfailing love for us.' Lamentation 3:32

Sharon

Film night returns next **Sunday July 25th!** Do join us for fellowship and pizza (we order in) The film in will be chosen by Sharon. No film night in August.

Info for Weekly notices As things return slowly to normal at church please can everyone please remember to tell me of any rota changes or changes to regular events or when new things are starting up again with dates so I can stick them in my diary. Over the Covid period I have been taking most of my regular information from the Newsletter, which is very reliable, but sometimes over the month times change and events are cancelled. When I am doing the job every week, I do hate to be responsible for putting out the wrong details (I know sometimes it can't always be helped and it is easy to forget). I am grateful for all those who have kept me in touch over the past months, particularly Sue T, Sharon, Keg and Robert.

Another Special Prayer this week Please pray for the situation in South Africa. Sue Brook's friend, Anette, says that things are very bad there, especially in KwaZulu Natal, and the Johannesburg and Pretoria areas. There is looting, plundering and burning of properties and the worst riots they have ever known. Shopping malls and warehouses have been looted and burned and the town of KwaZuluNatal is almost destroyed. Vaccines and oxygen supplies can't reach the hospitals where they are needed, and food shortages are imminent.

Weekly Notices Items should be with Barbara by Friday 12 noon.
