**Sad News** This week we must announce the sad news that Pearl Davis and Judith Sutherland have both passed away. They were both much loved members of our church family for many years.

**Pearl** passed away the week before last. She was a very active member of our congregation for several years. She served a term as steward amongst other duties. She moved away to live in Farnham some years ago. Please remember her son, friends and family in your prayers.

**Judith** passed away on 13th September. Judith was a very active member of our congregation for many, many years (probably 40+). She ran a daytime house group for some years attended with enjoyment by several of our members past and present, holding many Saturday coffee mornings in her garden, where the sun always shone. She was also a very enthusiastic stall holder at any fund-raising event. She always loved a bargain which she would always be happy to show you. She lost her dear husband Charles to Alzheimer's some years ago but carried on always very active out and about enjoying life. She loved reading and exploring ideas. She was ever so slightly eccentric in a lovely way. We missed her greatly after her health declined over the last few years and subsequently, she ended her days in a care home. Please remember her son David and other family and friends in your prayers.

**Film night returns on the 4th Sunday in September—26th!** Do join us for fellowship and pizza (we order in)  
The film in September will be chosen by Sharon

**Proposed Harvest Supper - Saturday 9th October** We would like to hold a Harvest Supper but are unsure if folk are entirely happy to share a meal together at the current time, and so we need to know whether to put on a Harvest Supper or not. **Please help us out by letting us know if you would be interested in attending.**

There will be a list circulated during refreshments on Sunday. If you are not going to be there on Sunday to sign up, then please email Keg on [kegferretfan@aol.com](mailto:kegferretfan@aol.com) as soon as possible.

If this does go ahead and you are interested in attending, then please say whether you would prefer a fish n chip supper or a cheese or ham ploughman's.

**Please reply quickly!!!** We don't have much time to arrange!

Many thanks, Stewarding Team

**Work Party Report - August 2021**. The Work Week in August was mainly to cut the bushes back in the Car Park as well as tidy the path at the side of the Church. We also needed to clear the moss on the other side as it is the emergency exit path from the Church. Thank you also to the ladies who gave the Church and Hall a thorough clean prior to it opening up completely. Thank you to all concerned as the weather could have been an issue but the work that has been achieved has been great. Rest assured I will be contacting you for another Work Party date in the near future as this is an ongoing issue! My apologies for the lateness of this notice – this has been due to personal reasons.

**Whitechapel Mission** I have spoken to Maggy and Colin Garton and they will be going up to the Whitechapel Mission at the beginning of November. If you have any blankets, towels, new underwear (ladies and gentlemen), jumpers, coats, sleeping bags, toiletries that you would like to donate, please bring them to church and we will store them in the vestry. All donations would need to be at church by 23rd October 2021 to give me time to deliver the donations. Many thanks **Keg**
