Sandhurst and Yateley Methodist Church Newsletter December 2021 January 2022

The Minister writes...

Dear friends,

Can you believe we are nearly at the end of the year?! We are in a better place than we were this time last year - regarding the Covid threat at least - but still the future is a little uncertain and we may feel we are not quite out of the woods yet. Across the world there are other more pressing concerns. As I write this, we have just had the news about the boat people who lost their lives trying to cross the Channel and whilst the problem of displaced people, genuine refugees and illegal immigration is a complicated one with no simple solutions, the tragedy reminds us that at its heart there is always a human story.

This is the time of year when we hear again the familiar Christmas readings, so familiar in fact that perhaps we don't even stop to think that Joseph and Mary with their little son Jesus were themselves a refugee family, fleeing from the political machinations of a jealous Herod, whose reaction to the perceived threat to his status and power was to order the infanticide of all boys aged two or under throughout Bethlehem and its vicinity. Had we lived in Egypt at that time, would we have taken in that desperate family and welcomed them? We like to think so.

There are always surprises in the Christmas story when we look at it again with prayerful eyes and hearts, new ways in which God reveals himself to us.

This Advent we are going to approach the Christmas story from a slightly different angle as we follow the Advent course, 'They Sang' (more details below). Please do join it if you are able. It's too easy to get into a spiritual rut and Advent and Christmas, which should be a time of joy and the sharing of the message of the incarnation become instead a treadmill of jobs to be done and lists to be ticked. Taking time out to read the Bible, reflect on it with others and to pray is the perfect antidote to the secularism of this season which threatens to overwhelm. I leave you with the words of the first verse of John Bell's lovely Christmas hymn: *Who would think?* (set to the music, *Scarlet Ribbons*).

*Who would think that what was needed to transform and save the earth might not be a plan or army, proud in purpose, proved in worth?
Who would think, despite derision, that a child would lead the way?
God surprises earth with heaven, coming here on Christmas Day.*

May God surprise you with a glimpse of his heaven this Advent and Christmas and may you journey into 2022 knowing that he is by your side.

With every blessing this Christmas and always,

Sharon

Advent Course: They Sang (based on the Amy Scott Robinson study of the same name)

During each of the four weeks of Advent, this course looks at the four songs which feature in the Christmas story:

The song of Zechariah – a song of salvation
The song of Mary – a song of justice
The song of the angels – a song of peace and praise
The song of Simeon – a song of hope

We'll be reading, discussing and responding. We may even be listening to some songs!

Yateley Choral Society

Yateley Choral Society (YCS) held their first major concert in 2 years on November 13th.

It was a celebration of being able to sing again and the first half had pieces from Mozart, Mendelssohn and Boyle.

However the highlights were 2 songs by the contemporary composers Sarah Quartel and Elaine Hagenberg plus Parry's "Blessed Pair of Sirens". The Quartel song was enjoyed so much the choir are singing one of her carols at their Carol Service on 13th December.

After the interval, Vivaldi's Gloria rang out and sparked, lifting the spirits of the audience with the 2 guest soloists Ellen Lloyd Roberts and Rebecca Leggett in stunning form.

It was a great evening and showed that YCS were back!

Date for your diary: **Saturday April 2nd 2022** for Haydn's "Nelson Mass"

Link to Hope Family & Elderly Shoebox Appeal 2021

Thank you for the Shoe Boxes you filled for Eastern European Families and the Elderly this year. There were 13 boxes in all plus a couple of monetary donations. This was three down on last year – this was my fault as I wasn't quick enough to realise that I needed to contact them rather than them contact me as an existing co-ordinator. After this of course I was distracted by a personal bereavement.

Sharon has very kindly delivered the shoe boxes to a lady in Ascot who removed all the gift aid forms from the boxes so no personal details are passed on. She was very grateful for our contribution.

Hopefully, we can build on this total next year when I promise that normal service will be resumed!

Again, thank you for your efforts this year – it is an excellent achievement under the circumstances!

Club 15 Introduction to the National Trust

In November, David Hunt from St Michael's kindly gave a Zoom talk on his experiences visiting NT properties around the UK over 40 years!!

Those of us Club 15 members who zoomed in enjoyed seeing and hearing a little about many different sites he has visited and I am sure those of us who are members will be adding new places on our lists of possible visits. I was certainly reminded of places I had had been to and also enjoyed.

Whilst writing, for those of you who haven't yet been to West Green Gardens, Hartley Whitney (free as an NT member or £9.00 a visit), it's well worth going if you like a compact garden with lots of interesting things in all seasons to see as well as currently having a Christmas shop! I think the evening lighted walks are sadly fully booked but I imagine them to be wonderful.

Rejoice!

October 5th saw our first Rejoice session since before lockdown. It was lovely to have several new faces and I think we all enjoyed being able to sing favourite hymns once again.

Thank you to Mary for taking over on the piano and allowing me to have a sing.

Next months Rejoice! will be on **7th December and then 4th January 2022**

The Leprosy Mission

This Christmas, hospitals in India urgently need your help.

The last year has left hospitals in India at breaking point. Many of the hospitals were designated Covid response centres but no extra funding has been received to provide those services. Lockdown and Covid meant that private general patients couldn't come in for treatment. The fees they pay usually subsidise the cost of the vital care needed by thousands of people affected by leprosy. All of this has left Leprosy Mission hospitals in India with a huge financial deficit. The situation is now desperate. They urgently need to care for people affected by leprosy.

If you feel you could make a donation please follow this link

A prayer for the people whose lives were ended in the English Channel

Following the tragic deaths of 27 people in the English Channel, the Revd Sonia Hicks and Barbara Easton, the President and Vice-President of the Methodist Conference, offer the following prayer:

Holy God, your Son, Jesus Christ stilled the storm on the Sea of Galilee.

We pray for those whose lives were ended in the English Channel.

Men, women and children searching for a better life, seeking a better life only to find death in the chilly depths.

We pray for those still determined to make that journey no matter what the risks.

O God, help us, in the West, to urge our political leaders to find a better solution to the migrant crisis as people try to escape from persecution, war and poverty.

May we campaign for more safe corridors so that the people smugglers cannot continue to prey on the desperation of others.

May we open our hearts to the refugees in our midst remembering that the Holy Family journeyed to Egypt to escape the murderous intentions of the Herod.

We ask these prayers in and through the name of Jesus Christ.

Amen

Christmas Fair

We were pleased to hold our Annual Christmas Fair again this year and raised £650 for church funds.

There was our normal tombola, raffle, cakes and cards.

We had additional games for the children which were enjoyed by all the children who attended.

Particular thanks to Margaret Schaap for raising nearly £200 from the sale of her hand painted cards, and to Ann Woledge for all her Christmas donations.

Many church members kindly gave additional donations in support of the event.

Our next event will hopefully be at Easter.

COP 26

Local Christian Aid supporters showed their support for climate justice by joining the NE Hampshire COP 26 March on November 6th.

This was part of a national day of action to raise awareness of climate issues and put pressure on the COP 26 delegates to reach an agreement to limit the rise in world temperatures to 1.5 degrees.

Christian Aid will continue to campaign for climate justice to limit the impact of floods and draughts on the poorest in the world.

Impossible Choices

This Christmas, Christian Aid are appealing for support for those Mums who are having to make decisions that no one should have to make.

The climate crisis in South Sudan is polluting fragile water sources, killing crops and

destroying homes.

Combined with years of conflict and the Covid-19 pandemic, it's forcing mums to make impossible choices for their children.

Dirty water, or none at all?

A morsel of food each, or a bigte4r portion for one?

School fees , or materials to rebuild the family home?

Use the link below to see a short video of what is going on and what can be done and how to make a donation.

Your Christmas gifts could help families in South Sudan and around the world stand strong with more boreholes, farming support and the chance to set up a small business.
